

I. Personal data

Michał Barbasiewicz, born 1978, Warsaw, Poland

Address: Faculty of Chemistry, University of Warsaw
Pasteura 1, 02-093 Warsaw, Poland

E-mail: barbasiewicz@chem.uw.edu.pl

Telephone: (+48) 22 55 26 750 (office)

Web site: www.aromaticity.pl

II. Education & Employment

2016–present

Adjunct, Faculty of Chemistry, University of Warsaw, Poland (independent research group).
In the marches of sulfur and fluorine - New strategies of formation of the CC and CF bonds (papers 35–).

2009–2016

D.Sc. in chemistry (habilitation), Faculty of Chemistry, University of Warsaw, Poland (host: K. Grela). *From electronic effects to conformational model – Novel concepts in design of the Hoveyda-Grubbs-type complexes* (papers 7, 9, 10, 13, 20, 21, 24–27, 29, 30, 32).

2006–2008

Postdoctoral researcher, Humboldt Research Fellowship, Institut für Organische Chemie, Friedrich Alexander Universität Erlangen–Nürnberg, Germany (host: J. A. Gladysz). *Synthesis and characterization of cage diphosphines* (papers 12, 15, 18, 28, 39).

2001–2005

Ph.D. in organic chemistry, Institute of Organic Chemistry, Polish Academy of Sciences, Poland (supervisor: M. Mąkosza). *Intermolecular reactions of γ - and δ -halocarbanions* (papers 1–5, 8, 11, 14, 16, 23).

1997–2001

M.Sc., Eng. in chemical technology, Faculty of Chemistry, Warsaw University of Technology (Politechnika), Poland (supervisor: M. Fedoryński). *Phase transfer catalyzed reactions* (papers 6, 36).

III. Research funding

Powroty/Homing, Foundation for Polish Science, Poland (HOM/2008/1B), 2008–2011

Research grant, Ministry of Science and Higher Education, Poland (N N204 152436), 2009–2012

Iuventus Plus grant, Ministry of Science and Higher Education, Poland (IP2010 001270), 2010–2011

Iuventus Plus grant, Ministry of Science and Higher Education, Poland (IP2012 001972), 2013–2015

Sonata Bis grant, National Science Center, Poland (2013/10/E/ST5/00030), 2014–2019

Opus grant, National Science Center, Poland (2018/31/B/ST5/01118), 2019–2022

IV. Other achievements

Bronze medal at XXIX International Chemistry Olympiad, McGill University, Montreal, Canada, 1997

Rector's Price for didactic achievements, 3rd level, University of Warsaw, 2018

V. Languages

English fluent in speaking and writing

German basic

Created: 09th of December 2019
